

## Data Dictionary on Key Performance Indicators (KPIs) for Create Hong Kong (CreateHK)'s

### Funding Schemes

This part comprises 9 digital format datasets (in CSV format) and 1 “Full Report” (in XLS format). The datasets mainly provide the values of the individual data items whereas the “Full Report” sets out the values, coverage and interpretation of the data items concerned. While this data dictionary has set out the description of each data item, users are strongly encouraged to read the “Full Report” first before accessing the datasets.
